Subject: Fred Mariani – Resumes Etc.

To whom it may concern:

I am honored and pleased to write this note for Fred Mariani and Resumes Etc.

I have known Fred for over one year as I had asked for his assistance in regards to my personal resume. Working together, Fred came to truly understand me, understand what I had done and where I expected to go. He then translated what he had learned into my business resume. Fred hit the proverbial ‘grand slam’ as he truly captured and articulated the essence of Scot B. Weicker in resume format.

I then commenced work with Fred in terms of my dream of the biggest and boldest festival in Connecticut to promote living green, sustainability and caring for the environment. The festival would be called Live Green Connecticut! Fred and I met on a number of occasions where he came to understand my vision, my goals and what was needed for my dream to become a reality.

Fred’s coaching was simply priceless, especially from a corporate standpoint. For Live Green Connecticut! to be a success, corporate support and funding were absolutely essential. Fred’s guidance, methods and professional suggestions were helpful beyond words. Thanks to Fred for being an integral member of the Live Green Connecticut! Team, the festival achieved what I had envisioned and I’m now working on Live Green Connecticut! 2011.

I can only offer the highest praise for Fred Mariani and his executive coaching. He is one who takes the time to listen and understand the situation, goals and objectives. He then takes what he has learned and offers one guidance, direction and assistance to not meet expectations but exceed them.

If I may answer any questions or be of any further assistance, please do not hesitate to contact me directly at (203) 536-9377 or, via email, sweicker@sbweventsgroup.com

Sincerely,

Scot B. Weicker
President
